### Interview

### Quinten Bosche

*"I also want to thank you for the support you give during the season 2008  
Because of your support & the Bardahl Oils We were very succesfull and won a lot of titels*

*The most importants are :*

- \* BELGIAN CHAMP SENIOR
- \* FRENCH CHAMP JUNIOR
- \* EURO CHAMP JUNIOR
- \* EURO CHAMP SENIOR
- \* VICE WORLD CHAMP JUNIOR 150HP USA
- \* WORLD CHAMP JUNIOR 90HP USA

*I have open one of my engine's last week and was very surprised to see how the condition of the pistons.*

*Last year we have run 1 engine with synthetic oil of Castrol and after 60 hours the coating of are pistons was gone see picture (middle piston )*

*This 2 outside pistons you see on the picture run with Bardahl Oil and had water damaged and the pistons were like new After at least 200 hours of service after measure them there was only 0.05mm difference whit a new piston, this is not possible with other Oils We have use the oil you have recommended us XTC C60 10W40, thanks to this Oil we have won all major Titles and never had engine failure*

*I hope to work whit you for the season 2009 and I will contact you soon"*
